

Suzanne Szenher

WEB DESIGN & FRONT-END DEVELOPER

Your Design - My Code

Creating beautiful, clean XHTML & CSS code from your designs and layouts. I convert your design to a high quality, cross-browser compatible valid XHTML/ CSS Website.

your design (psd, jpg) + my code (xhtml & css) = standards compliant site

How does it work?

- * Send your design (psd file) via email, other image formats are accepted.
- * I will review your design to determine the time-frame and pricing.
- * I hand-code your design into standards compliant XHTML & CSS.
- * I will send you the XHTML, CSS files and optimized images in a .zip file.

What's included?

- * Hand-Coded, Semantic, SEO Optimized and Valid XHTML
- * Well structured commented CSS & XHTML
- * 100% tableless coding
- * Easy to up date website
- * Optimised images for faster loading times
- * Google friendly website
- * A website that works in all major modern browsers

Prices starting from £80 for the first page - Each Additional Page £38
